## SCHOOL-BASED APPRENTICESHIPS AND TRAINEESHIPS PROGRAM

School-based apprenticeships and traineeships (SATs) allow high school students to work for an employer and train towards a recognised qualification, while completing their secondary schooling and studying for their Queensland Certificate of Education (QCE) and/or Australian Tertiary Admission Rank (ATAR).

SATs combine study, work and training to provide students with a head start on their career.

### SCHOOL

Students must gain support and approval from their school to undertake a SAT. Students continue to attend school as usual, however, some of their paid employment and/or training will become part of their school timetable. A SAT must impact on the student's school timetable to be considered school-based.

### WORK

Students enter a training contract with an employer and will complete a minimum of 750 hours (100 days) of practicum.

### TRAINING

Training organisations deliver off-the-job training and assessment and oversee the on-the-job training provided by the employer. The training may be classroom-based, work-based or delivered flexibly (e.g. online training).

### STUDENT CONTRIBUTION FEE

The Fee Free Training initiative for under 25's means there are no student contribution fees applicable to this program.

For more information on the SATs program you can view the School-based Apprenticeships and Traineeships Information Sheet at <https://desbt.qld.gov.au/training/apprentices/resources/information-sheets/is26>
