## Army Support Gap Year

*Experience being part of one of the largest logistics organisations in Australia during your Army Gap Year.*

An [Army Support Gap Year](#) role is a unique opportunity for students to experience life in the Army, without needing to make a long-term commitment. The skills obtained through the Army Support Gap Year program will provide them valuable work and life experience, which are transferable to civilian employment opportunities. It enables Gap Year members personal and professional development for their next endeavour.

In an Army Support role, recruits will learn logistic and task management skills to ensure the Army has the necessary supplies for exercises and humanitarian operations. Gap Year recruits can experience what life in the Army is like in one of three rewarding Army Support Gap Year roles. They may assist in the movement of supplies as a Driver, manage logistics as a Warehouse Coordinator, or become the point of contact within a unit as an Administration Assistant.

**Gap Year applications are closing soon. Explore more about the [Army Support Gap Year](#) or contact Defence Force Recruiting on [13 19 01](tel:131901) for more information.**

## **Holmesglen-Saints Sports Program**

*St Kilda and Holmesglen are giving students the chance to kick off their career in the sports industry. Studying with Holmesglen and the Saints offers unprecedented access to the inner workings of an elite sporting environment.*

The Holmesglen-Saints Sports Program offers the [Diploma of Sport with Diploma of Event Management](#) at Holmesglen's Moorabbin Campus. This is a one-year course, and the weekly timetable features a combination of classroom-based learning, split between Holmesglen's Moorabbin campus and the Saints' club facilities, plus one day of integrated activities. There is a dedicated focus on turning theory into practice, and students gain real-life experience at the AFL club, and assist with junior clinics, community development programs and even match-day experiences.

Guest lecturers from the Saints will share their insights and experiences, such as their journey into the sporting industry, lessons learnt and key professional takeaways. Students will also be given the opportunity to ask questions and interview Saints staff to enhance their learning.

Students keen on finding out more, are encouraged to attend the Holmesglen-Saints Sports Program Open Day on Thursday 7 July 2022. Register [here](#).

## News from ACU

### ➤ Four New Commerce Degrees for 2023

*Our four new three-year full-time degrees are designed with your career goals in mind:*

- Bachelor of Commerce (Accounting)
- Bachelor of Commerce (Data Analytics)
- Bachelor of Commerce (HRM and Management)
- Bachelor of Commerce (Marketing).

When students begin, they will get a solid grounding in business skills with ACU's unique business foundation program, co-created with industry. Students will then focus on their area of specialisation, studying 12 units as opposed to 8 units in a standard major.

We have also retained all the important features of our Bachelor of Commerce, with:

- multidisciplinary foundation units before students move onto their chosen specialisation
- Microsoft certifications embedded into each of the degrees
- Future Ready – our structured three-year program and roadmap to success, co-designed and recognised by industry
- embedded global virtual classrooms, giving students the opportunity to experience international study without the need to travel, plus the option to study abroad with two business units offered at our Rome Campus during the July holiday break
- two industry placements – one in second year to develop their transferable employability skills, and one in third year focussing on their chosen profession
- major professional accreditations
- the flexibility to change course between programs if the student's interests change.

Students keen on finding out more should browse [Explore our commerce degrees](#).

### ➤ New Double Degree in Criminology and Law

*Students can super-charge their criminology and criminal justice degree with law and be ready to launch a meaningful legal career in the criminal justice sector.*

This five-year double degree is the ideal combination for students who want to be a criminal lawyer or pursue regulatory or policy work in criminal justice areas covering interpersonal violence, policing, forensic psychology, corrections, and cybercrime.
